

Cousera Captopsone Notebook

- I will be using this notebook to finish out the IMB DSS using Python

```
In [2]: import pandas as pd  
import numpy as np
```

```
In [3]: print("Hello Capstone Project Course!")
```

Hello Capstone Project Course!

Chrome needs some fixing

Issue with Chrome not allowing the notebook to be viewed - I used this article to fix

<https://medium.com/@pg170898/problem-facing-at-github-ipynb-is-not-loading-f986a04649f3>
(<https://medium.com/@pg170898/problem-facing-at-github-ipynb-is-not-loading-f986a04649f3>)

```
